## Canton 0123-WP-CAMI-01 Midnight

Originally used to help insulate primitive homes in East Asia, natural grasses have been applied to walls for more than 2,000 years. Canton, our modern take on the traditional wallcovering, is 100 percent sisal with a paper back, and comes in three, naturally dyed colours: Midnight, Sand and Dune. An easy way to add subtle texture to any room, Canton can be used independently for a departure from bold pattern, or intermingled with Chenini as they share the same ground. We recommend pairing Canton Midnight with Chenini Midnight.
