## Farrah 0124-TR-FASI-01 Silver

Elevate your interiors with Farrah, a sumptuous embodiment of heritage and opulence. Meticulously designed for the elite interior designer, this trim finds its place along the leading edges of draperies, on plush furniture, and adorning cushions or pillows in the most luxurious of spaces.

At the heart of Farrah's magnificence is the age-old Indian technique of Zari embroidery. Zari, with its illustrious history, dates back centuries in the rich tapestry of Indian textiles. Traditionally made by expertly weaving thin threads of gold or silver onto fabrics, it has graced the attires of Indian royalty and nobility, symbolising grandeur and affluence. With time, Zari has seamlessly intertwined itself with high fashion in the west, becoming a sought-after emblem of intricate craftsmanship and luxury.

Farrah doesn't just stop at Zari. Each trim is further embellished with two-tone glass beads, adding a layer of shimmer and texture that complements the Zari's lustrous sheen. The background, meticulously crafted with crewel embroidery, adds depth and richness, making Farrah a veritable piece of art. Every stitch resonates with tradition, dedication, and an unparalleled commitment to luxury. Its intricate design, combined with the historic gravitas of Zari, ensures that every drapery, cushion, or furniture piece it graces becomes a focal point of admiration.
