## Iter 0211-WP-ITNO01 Nougat

With its series of soft brushstrokes, each one tamed into stacked arches and adjacent stripes, our Iter textured wallcovering has a strong sense of direction. Like an arrow released from the tension of its bow, cutting a curve across the sky with power and purpose, this paper-and-hemp basket weave wall treatment—handwoven in Austria exclusively for the Vale—brings rhythm and movement to any room.
