Persinette 0125-FAB-PETR-01 Truffle

Introducing Persinette, The Vale London's latest innovation in textiles. Crafted from 100% Trevira CS yarns, this macramé woven sheer fabric showcases intricate knotting techniques, creating a delicate yet durable texture. Available in two neutral tones, Truffle and Whipped Cream, Persinette is perfect for commercial or residential use.

The time-honoured art of macramé, originating from 13th-century Arab weavers, adds a unique handcrafted touch to each piece. Trevira, renowned for its high performance, offers exceptional durability, UV resistance, and inherent flame retardancy. Bridging the gap between luxury and practicality, Persinette drapes beautifully and remains resilient in all settings.

Derived from the Arabic word "migrah" meaning "fringe," macramé uses knots like the square knot, half hitch, and lark's head to create intricate designs. The use of Trevira ensures longevity, maintaining its quality regardless of sun exposure or use. The blend of traditional craftsmanship with timeless design lies at the heart of The Vale London.
